OUR PHYSICIANS

Ashlie Darr, M.D.

Dr. Ashlie Darr is a board-certified Otolaryngologist with fellowship training in thyroid and parathyroid surgery. She earned her degrees from Emory University and New York Medical College and completed advanced training at Massachusetts Eye & Ear Infirmary. She provides comprehensive ENT care with a focus on surgical excellence.

Avani Ingley, M.D.

Dr. Avani Ingley grew up in Vidalia, Georgia, and received her undergraduate degree from the University of Georgia. She completed her medical studies and residency in Otolaryngology at Emory University in Atlanta. She has a special interest in pediatric otolaryngology and nasal/sinus surgery.

Ryan Kauffman, M.D.

Dr. Ryan Kauffman specializes in allergy, nasal surgery, endoscopic sinus surgery, chronic ear surgery, and pediatric otolaryngology. He was born and raised in Carrollton, Georgia, received his undergraduate degree from the University of West Georgia, attended medical school at Vanderbilt University.

Drew Locandro, M.D.

Dr. Drew Locandro received his undergraduate degree from Rutgers University. He attended Robert Wood Johnson Medical School and completed his residency at the Albany Medical Center in Albany, NY. Dr. Locandro has special expertise with nasal/sinus surgery and advanced ear surgery.

Shatul Parikh, M.D.

Dr. Shatul Parikh, a native Atlantan, received his undergraduate degree from Emory University, and completed his medical studies at Georgia Regents University in Augusta, GA. He returned to Emory University to complete his residency in Otolaryngology. He also did further specialized training in minimally invasive thyroid and parathyroid surgery.

Hannan Qureshi, M.D.

Dr. Hannan Qureshi is a board-certified ENT specialist with fellowship training in advanced endoscopic sinus and skull base surgery. A graduate of Northwestern University and Johns Hopkins, he brings research-driven, expert care to patients with complex nasal and sinus conditions.

Bryan Stringham, D.O.

Dr. Bryan Stringham sees patients of all ages and is experienced with all general otolaryngology procedures. Dr. Stringham grew up in Boise, Idaho and completed his undergraduate studies at Boise State University and Idaho State University.

Julie Shrewsbury, MSN, FNP-C

Julie Shrewsbury, MSN, FNP-C, is an experienced Family Nurse Practitioner with a strong background in ENT, orthopedics, and urgent care. She began her career in emergency medicine and is known for her compassionate, patient-focused approach and expertise in comprehensive ENT care.
